We're all someone's daughter

We're all someone's son

How long can we look at each other

Down the barrel of a gun?

You're the voice, try and understand it

Make a noise and make it clear

Oh-o-o-o, whoa-o-o-o

We're not gonna sit in silence

We're not gonna live with fear

Oh-o-o-o, whoa-o-o-o

This time, we know we all can stand together

With the power to be powerful

Believing we can make it better

We're all someone's daughter

We're all someone's son

How long can we look at each other

Down the barrel of a gun?

You're the voice, try and understand it

Make a noise and make it clear

Oh-o-o-o, whoa-o-o-o

We're not gonna sit in silence

We're not gonna live with fear

Oh-wo-wo-wo, whoa-o-o-o

ooooh We're all someone's daughter

We're all someone's son

How long can we look at each other

Down the barrel of a gun?

You're the voice, try and understand it

Make a noise and make it clear

Oh-o-o-o, whoa-o-o-o

We're not gonna sit in silence

We're not gonna live with fear

Oh-o-o-o, whoa-o-o-o (X3)

We're not gonna sit in silence

We're not gonna live with fear
