You keep saying you've got something for me
Something you call love, but confess.
You've messing where you shouldn't have been
messing.
Now, someone else is getting all of your best.

These boots are made for walking and that's just what
they'll do.
One of these days, these boots are gonna walk all over
you.

You keep lying when you outta be truthoring.
You keep losing when you outta not bet.
You keep saming when you outta be changing.
What's right is right but you ain't been right yet.

These boots are made for walking and that's just what
they'll do.
One of these days, these boots are gonna walk all over
you.

You keep playing where you shouldn't be playing.
You keep thinking that you'll never get burnt.
I've just found me a brand new box of matches
And what it knows, you ain't had time to learn.

These boots are made for walking and that's just what
they'll do.
One of these days, these boots are gonna walk all over
you.
Are you ready, boots ? Start walking !
