N. Finn)

Make your decision now

Rely on no help from above

Living is luxury

I want everything you throw out

I'll do anything you want to

Please let me go with you

I'll wear the smile on your face

Big black and beautiful

I want it, everything you throw out

There must be something you can do without

CHORUS

I am as sure as I am

And I couldn't care less

For what might go wrong

And I'm happy as sin

In a fear shaken world

I pity the rhino

Down there it's becoming extinct

Killed for a love potion

Sad thing looking like a dead flower

I want it, everything that you throw out

Chorus

I'll wear the smile on your face

Chorus
