I'm really close tonight  
And I feel like I'm moving inside her  
Lying in the dark  
I think that I'm beginning to know her  
Let it go  
I'll be there when you call  
Whenever I fall at your feet  
And you let your tears rain down on me  
Whenever I touch your slow turning pain  
You're hiding from me now  
There's something in the way that you're talking  
The words don't sound right  
But I hear them all moving inside you  
Go, I'll be waiting when you call  
Whenever I fall at your feet  
And you let your tears rain down on me  
Whenever I touch your slow turning pain  
The finger of blame has turned upon itself  
And I'm more than willing to offer myself  
Do you want my presence or need my help  
Who knows where that might lead

I fall at your feet

And you let your tears rain down on me

Whenever I fall
