Four seasons in one day

Llying in the depths of your imagination

Worlds above and worlds below

Sun shine's on the black clouds hanging over the
domain

Even when your feeling warm

The temperature could drop away

Like four seasons in one day

Smiling as the shit comes down

You can tell a man from what he has to say

Everything gets turned around

And I will risk my neck again, again

You can take me where you will

Up the creek and through the mill

Like all the things you can't explain

Four seasons in one day

Blood dries up

Like rain, like rain

Fills my cup

Like four seasons in one day

Doesn't pay to make predictions

Sleeping on an un-made bed

Finding out wherever there is comfort there is pain

Only one step away

Like four seasons in one day

Blood dries up

Like rain, like rain

Fills my cup

Like four seasons in one day
