N. Finn/T. Finn)

Escape is on your mind again

Escape to a far away land

At times it seems there is no end

To long hard nights of drinking

CHORUS

How will you go

How will you go

Drive through the wind and the rain

Cover it up

Cover it up

I'll find you a shelter to sleep in

I fell over on the couch again

But you know not all sleep is wasted

Your dreams are alcohol inspired

You can't find a better way to face it

Chorus

And you know I'll be fine

Just don't ask me how it's going

Gimme time, gimme time

Cos I want you to see

Round the world round the world

Is a tangled up necklace of pearls

Chorus
