N. Finn/T. Finn)

Ice will melt, water will boil
You and I can shake off this mortal coil
It's bigger than us
You don't have to worry about it
Ready or not here comes the drop
You feel lucky when you know where you are
It's gonna come true
Here in your arms I remember

CHORUS

It's only natural that I should want to
Be there with you
It's only natural that you should
feel the same way too

It's easy when you don't try
Going on first impressions
Man in a cage has made his confession
You've seen me at my worst
And it won't be the last time I'm down there
I want you to know I feel completely at ease
Read me like a book
That's fallen down between your knees
Please let me have my way with you

Chorus

It's circumstantial, it's nothing written in the sky
And we don't even have to try
Shaking like mud, buildings of glass
Sink into the bay they'll be under the rocks again
You don't have to say I know you're afraid

Chorus

It's circumstantial, it's something I was born to
It's only natural, can't help it if I want to
