I've been locked out  
I've been locked in  
But I always seem to come back again  
When you're in that room  
What do you do?  
I know that I will have you in the end  
And the clouds  
They're crying on you  
And the birds are offering up their tunes  
In a shack as remote as a mansion  
You escape into a place where nothing moves  
And I've been locked out  
And I know we're through  
But I can't begin to face up to the truth  
I wait so long  
For the walls to crack  
But I know that I will one day have you back  
And the hills  
Are as soft as a pillow  
And they cast a shadow on my bed  
And the view

When I look through my window  
Is an altarpiece I'm praying to  
For the living and the dead  
Twin valleys shine in the morning sun  
I send a message out to my only one  
Yet I've been locked out  
And I know we're through  
But I can't begin to face up to the truth  
I wait so long  
For the walls to crack  
But I know that I will one day have you back  
(Yes, I will)  
And I work  
Like bees in the honey  
Every night I circle like the moon  
It's an act  
Of simple devotion  
But it can take forever  
When you've got something to prove
