N. Finn/T. Finn)

Watch out big ships are waiting

Salt frozen on your cheek

Saw a girl and boy arriving

And a steamer put out to sea

CHORUS

Tall tree stand in the distance

Remember when you were green

Don't wipe the salt from your skin

You must keep running the distance

Sun sleeps on misty morning

Light years from channel 3

I fel halfway to zero

Call me a hero I might just agree

Chorus

And the roses you grow

Have a powerful scent

They'll be breaking your heart

By the morning

Chorus
