What'll I tell him

When he comes to me for absolution

Wouldn't you know it

Hope I don't make a bad decision

Cos I'd like to believe

There is a god

Why sinful angels suffer for love

I'd like to believe

In the terrible truth in the beautiful lie

Like to now you

But in this town I can't get arrested

If you know me

Why don't you tell me what I'm thinking

CHORUS

Hey don't look now

There goes God

In his sexy pants and his sausage dog

And he can't stand Beelzebub

Cos he looks so good in black, in black

(Repeat)
