"Together Alone"

Together alone
Above and beneath
We were as close
As anyone can be
Now you are gone
Far away from me
As is once will always be
Together alone
Together alone
Shallow and deep
Holding our breath
Paying death no heed
I'm still your friend
When you are in need
As is once will always be
Earth and sky
Moon and sea

Well, that's it. I hope I've got the lyrics just about right!
