I didn't cry  
I just stood and watched her say goodbye  
She closed the door  
And said I don't want to see you anymore

(chorus)

Things I should have said to her  
That maybe would have changed her mind to stay  
Things I should have said to her  
Like girl I love you so let love find a way

Was it that she  
Just couldn't understand a man like me  
Was I to blame  
Did I leave too many things unexplained?

(chorus)

Why didn't I try telling her  
She was all I had  
Why didn't I try telling her  
Now she's gone and I feel oh so bad

But I didn't try  
I just stood and watched her say goodbye  
She closed the door  
Said I don't want to see you anymore  
Things I should have said to her
