Hey, little baby, come back again
Hey, little baby, I miss your spin
Well, get it moving, it'll be just fine
But I don't sleep when you're not mine Hey, little baby,
just let it slide
Let your little body roll side to side
Well, get it moving, right in time
Let's see a little shimmy in the conga line. Hey, little
baby, now the morning's here
Gonna open my eyes, don't disappear
Another evening vanished in your arms
And you wonder why I sleep through my alarm Hey,
little baby, let's groove again
'Cause watching you is making my head swim
I'll dance to prove it, that I'm just fine
Let's see a little shimmy in the conga line Submitter's
