Love is a doing word

Feather's on my breath

Gentle impulsion

Shakes me makes me lighter

Feather's on my breath

Teardrop on the fire

Feather's on my breath

Nine night of matter

Black flowers blossom

Feather's on my breath

Black flowers blossom

Feather's on my breath

Teardrop on the fire

Feather's on my breath

Water is my eye

Most faithful mirror

Feather's on my breath

Teardrop on the fire of a confession

Feather's on my breath

Most faithful mirror

Feather's on my breath

Teardrop on the fire

Feather's on my breath

You're struggling in the dark

You're struggling in the dark
