Another life that I've taken from you
A gift to add on to your pain and suffering
Another truth you can never believe
Has crippled you completely
All the cries you're beginning to hear
Trapped in your mind, and the sound is deafening
Let me enlighten you
This is the way I pray
[Chorus:]
Living just isn't hard enough
Burn me alive, inside
Living my life's not hard enough
Take everything away
Another nightmare about to come true
Will manifest tomorrow
Another love that I've taken from you
Lost in time, on the edge of suffering
Another taste of the evil I breed
Will level you completely
Bring to life everything that you fear
Live in the dark, and the world is threatening

Let me enlighten you

This is the way i pray

[Chorus]

Return to me, return to me, return to me, turn to me,
leave me no one

Turn to me, return to me, return to me, turn to me, cast
aside

Return to me, return to me, return to me, turn to me,
leave me no one

Turn to me, return to me, return to me, turn to me,
you've made me turn away

[Chorus Variant:]

Living just isn't hard enough

Burn me alive, inside

Living my life's not hard enough,

They take everything from you

[Chorus]
