[Intro:]

Shakespeare

Mr. 305

This is to them boys that be in the club that talk a whole
lot of nothing

[Chrous:]

Shhh...

Be quiet

Keep it cool, you don't wanna start a riot

Shhh...

Be quiet

Keep it cool, you don't wanna start a riot

Let's ride (let's ride)

Let's go (let's go)

Let's ride, let's ride, let's go (let's go)

Let's ride, let's ride, let's go (let's go)

Let's ride, let's ride, let's go (let's go)

Let the beat ride (hey, hey)

Now let the beat ride (hey, hey)

Now let the beat ride (hey, hey)

Now let the beat ride (hey, hey)

Now let the beat ride

[Verse 1:]

I'm rolling

Through the backstreets

Them boys don't applaude

But they clap heat

I'm in that seven forty-fizzle

with them dark boys on it low key

Blowing that oooh-eee...

Jump out They like who's he?

Imma snatch about two or three

It's a Dade thing when you speak cocaine

Slash perico, chi chi get the yayo mang

I'm stating facts

This where we from

The bottom dawg

This where you come

When you need it, want it, don't got it, in the drought

Looking for a good price
Hit 95 south
K's as in kilos
P's as in pounds
E as in ex,
We got it on deck
So show some respect
To the cocaine capital
Dade-County bitch!

[Chrous:]

Shhh...
Be quiet
Keep it cool, you don't wanna start a riot
Shhh...
Be quiet
Keep it cool, you don't wanna start a riot
Let's ride (let's ride)
Let's go (let's go)
Let's ride, let's ride, let's go (let's go)
Let's ride, let's ride, let's go (let's go)
Let's ride, let's ride, let's go (let's go)
Let the beat ride (hey, hey)
Now let the beat ride (hey, hey)
Now let the beat ride (hey, hey)
Now let the beat ride (hey, hey)
Now let the beat ride

[Verse 2:]

Shhh...
Be quiet
Keep it cool, you don't wanna start a riot
I'm cool, I'm quiet
A couple shots will put yo ass on a diet
This is for them big boys
Doing them big things
In the big chevy's
With them big rims
Making big noise
With them big speakers
And anytime they cook yaye
Its some big beakers
Listen buddy
We off the chain
Now what they do, what it is, what it ain't
Listen buddy
We off the chain
I suggest you hand over them thangs
I got my game from Jose Antonio Armando Perez
Torrez
Ese si era mi consorte

And I missed ya dad
But I know you watching me
With you in heaven
I know ain't stopping me
The game is mine now
I'm building clientele
I'm just tryna get paper like Seinfeld
Sign, seal, deliver: Its done
Ready or not, here I come
Dale!

[Chrous:]
Shhh...
Be quiet
Keep it cool, you don't wanna start a riot
Shhh...
Be quiet
Keep it cool, you don't wanna start a riot
Let's ride (let's ride)
Let's go (let's go)
Let's ride, let's ride, let's go (let's go)
Let's ride, let's ride, let's go (let's go)
Let's ride, let's ride, let's go (let's go)
Let the beat ride (hey, hey)
Now let the beat ride (hey, hey)
Now let the beat ride (hey, hey)
Now let the beat ride (hey, hey)
Now let the beat ride
Shhh...
