Tu bailas como una descarada  
Pero a mi me encanta, dale descarada  
Tu bailas como una descarada  
Pero a mi me encanta, dale descarada

Turn that thing around  
Turn that thing around  
Turn that thing around  
Get your ass up and dance!

Say the same thing now  
And we gone tear (tear) this thing (thing) down  
Mami drop (drop) to the floor  
Bring it  
Bring it  
Bring it back  
Lick your lips, then (then) turn around

Mami in front of me tryin' to be a freak-a-leak  
Mami in front of me bendin' over, how sweet!  
She showed me her hmmm!  
I showed her my hmmm!  
She like "you crazy!"  
I'm like "you crazy!"

Order (order) nother round (round) of shots  
You go (go) girl  
Go drop (drop) like it's hot  
This just how we (we)  
Get (get)  
Down (down)  
And (and)  
It (it)  
Wont (wont) stop

Here we go again, hands high  
Kill 'em with the flow again, hands high  
Kill 'em with the flow again there's no excuse  
Get your ass up and dance!

[Repeat Chorus]
