(What would the music be without sounds)

[Pitbull]

Young Boss, Miss Trina, Pitbull  
Let's show them how we keep down

I party like a rockstar,  
Look like a movie star,  
Play like an all star,  
Fuck like a pornstar,  
Baby I'm a superstar,  
Always posted at the bar  
Always with couple boss  
Maybe I'm just that that raw  
Dawg check your resume  
I hit something everyday  
Ask about me n' dey say  
That chico run M.I.A  
Pitbull and young boss  
That's fire  
Go girl work it out  
'Til u tire  
Just tryin' to pay your tuition  
Liar  
My corner is like HBO's wire  
So please don't play no games  
And baby don't say no names  
And we can do this one more again  
Next time you can bring your friends

So get your friends  
And I get my friends  
And we can be friends  
Do this every weekend

[Pre-Hook]

We can hit your place  
We can hit my place  
She's on my top 8  
I bagged her off of myspace

[Chorus]

Go girl [x8]

Shake them dice and roll them [x2]

When they ask u what's that dance

U say that's the hustle man

[Young Boss]

Girl I wanna know your name

Girl who u be?

Don't care with who you came

As long as u leave wit' me

What's you sippin' on?

I buy you a drink

Get u one of them shiny things

Your Girl pick pink

I see those Jimmy Choos

Those Vera Wangs

I luv the way u work

Girl do your thing

U see my stunna shades

I'm like a star

My click is full of ballas

We at the bar

So go get your friends

And I get my friends

And we can be friends

Do this every weekend

[Pre-Hook]

We can hit your place

We can hit my place

She's on my top 8

I bagged her off of myspace

[Chorus]

[Trina]

Diamond princess

I make them bus quick

Man I back it up

Like a Mack Truck

[heavy breathing]

Don't talk about it boy

Be about it boy

I got them girls boy

Turn out your girls boy

I'm talking freak nig

I'm like a freaky shit

Cuz you're my freak

So get your friends  
And I get my friends  
And we can be friends  
Do this every weekend

[Pre-Hook]

Go girl [x8]  
Shake them dice and roll them [x2]  
When they ask u what's that dance  
You say that's the hustle man
