I want everybody to stop what they're doing.
Now if you know you're with somebody
You're gonna take the hotel room tonight, make some
noise...
Meet me at the hotel room [x4]

Forget about your boyfriend and meet me at the hotel
room,
You can bring your girlfriends and meet me at the hotel
room. [x2]
We at the hotel, motel, holiday inn. [x4]

She like that freaky stuff
2 and the O, 1 in the eye,
That kinkee stuff, you nasty,
But I like your type
And like T.I. it's whatever you like.
Bring your girls,
It's whatever tonight,
Your man just left,
I'm the plumber tonight,
Let me check your pipes,
Oh, you're the healthy type.
Well, here goes some egg whites.
Now gimme that sweet, that nasty gooshy stuff,
Let me tell you what we gon' do.
2 + 2, I'm gonna undress you.
Then we're gonna go 3 and 3 you gon' undress me.
Then we're gon' go 4 and 4,
We gon' freak some more, but first!

Forget about your boyfriend and meet me at the hotel
room,
You can bring your girlfriends and meet me at the hotel
room. [x2]
We at the hotel, motel, holiday inn. [x4]

After party in hotel lobby,
Then we off to the room like voom,
With them fingers in yo mouth or open up yo blouse,
And pull that g-sting down south (ouhh)

OK shawty, 1's company, 2's a crowd, and 3's a party.
If your girl ain't with it, I got somebody,
And by nature she's naughty.
Now gimme that sweet, that nasty gooshy stuff.
Ima tell you what we gon' do,
2 + 2, I'm gon' undress you.
Then we gon' go 3 and 3, you gon' undress me.
Then we gonna go 4 and 4, we gon' freak some more!
But first...

Forget about your boyfriend and meet me at the hotel
room,
You can bring your girlfriends and meet me at the hotel
room. [x2]

We at the hotel, motel, holiday inn. [x4]
