

Pit Bull

"The anthem"

Visit "[The anthem](#)" on MotoLyrics.com

Everybody knows this right here
Your mother, your father, your sister, your brother
Abuela y abuelo, everybody sing along!

Latino!!

Mami el negro, cubano
Mami el negro, puertoriqueno
Mami el negro, dominicano
Mami el negro, mexicano

[Chorus]

[2x]

Mami el negro esta rabioso
El quiere tu azucar, y tu no se lo das
Esa morena esta sabrosa
Y cuando tu la tocas, ella se vuelve loca

[2x]

Mami que sera lo que quiere el negro, (a mi que me importa)
yo lo que quiero es esa loca, (dale dale loca)
Mami que sera lo que quiere el negro, (a mi que me importa)
yo lo que quiero es esa loca, (dale dale loca)

[Lil Jon] Lets go

Hey hey, baby give it to me, don't play-play
She was like O.K K K
Started clapping her ass to ay bey bey, ay bey bey, ay bey bey
She told me that her mamas latin, dads asian
Abuela esta loca, abuelos hatian
Y yo soy cubano and I'm impatient
So do me a favor, lets skip conversation
I just wanna taste ya ASAP
Take ya ASAP, to the room ASAP
Zoom zoom ASAP, boom boom take that
OOOHH I like that!
When you fight that!

[Chorus x1]

See you with your heels, sexy shirt
I See you with your man, youu threw me a smirk
You See me with your girls, you started to flirt
Back of the club, hand up her skirt
Hand full of ass, I'm trying to hold on
Girls gone wild, all night long
She had no bra, and no thong
One more shot, baby its on (lets go)
She's a wild thing, and she loves to do wild things
So we did the wild thing, I'm a freak but I aint gon' lie
That thing was fine man, everybody say...

[Chorus x1]

[Lil Jon:]

Get nasty, get freaky, you sexy, you fine
Get nasty, get freaky, you sexy, you fine
Go go go go girl
Go go go girl
Go go go girl
Go go go girl
Shake your ass to the beat, shake your ass to the beat
Shake your ass to the beat, shake your ass to the beat
Hey!

[Chorus x1]

[Lil Jon:]

Take it to the flo' now

Yo te doy lo tuyo
Ahora, dame lo mio
Yo te doy lo tuyo
Ahora, dame lo mio
Yo te doy lo tuyo
Ahora, dame lo mio (let's go now)
Yo te doy lo tuyo
Ahora, dame lo mio (hey hey hey, lets go ladies)
