

Grates, The "I Won't Survive"

Itty bitty tiny beats
Your heart makes when you lie
Catches birds and elephants
You're wasted while you whine

If I could find a little piece
Of flesh I'll be alright
But as life turns to eat me up
I fear I won't survive

I won't survive
I won't survive
I won't survive
I won't survive
I won't survive
I won't survive
I won't survive

Itty bitty tiny beats
Your heart makes when you lie
If I could find a little piece
Of flesh I'll be alright..
