Some motherfuckers think they're born to dance
Some motherfuckers think they're born to, dance..
Shakin' like you don't know what you're waiting for
Shakin' like bacon ice cold, it's floored
But you're stuck..

Inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside
Now, twirl for me
Twirl like a little girl

Some motherfuckers think they're born to dance
Some motherfuckers think they're born to, dance
Well, maybe you is boy
And maybe you just, is
Yeah!

57 shots she was bound to die
Billy made a boo boo, he was bound to cry
But, we're all good people here
And I aint gonna tell no one you, came, on, to him

Inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside
Inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside

Strike a letter
Make it red
You was born but now you're dead
Haunt a village
Make it scar
2 pink lungs are full of tar

I might live,
To tell the tale
Of how young girls once rode a whale
A mockin' in my rockin' chair
Lost your strength
You lost you hair

Too many times,
It's been all too many times
Too many times
It's been all too many times

Some motherfuckers think they're born to dance
Some motherfuckers think they're born to, dance
Not you (not me!)

Shakin' like you don't know what you're waiting for
Shakin' like bacon ice cold, it's flooded

And again!

Inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside
Inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside

You're inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside
You're Inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, outside - inside

You're inside, inside, inside, inside, inside, inside -
outside
Outside, outside, outside, outside, outside, outside -
inside
Inside, inside, inside, inside, inside, inside - outside
Outside, outside, outside, outside, inside, outside -
inside

Look at you
Can't you see?
Never be the one to dance with me

Look at you
Can't you see?
Never be the one to dance with me..
