In the morning upside down  
In the evening round and round  
I'm so tired, I've lost my eyes  
Could someone prop me up 'gainst a wall?  
Got this thing what makes my lids fall

If I bask I'm bound to burn  
If I read I'm bound to learn  
I'm a thief what stole you twice  
Could someone glue these shoes to the ground?  
Got this thing what makes me spin round  
And round, and round, and round and round...

No I'll never believe the truth in you  
Lies are much more fun!  
No I'll never believe the truth in you  
Lies are much more fun!  
No I can't, no I won't  
No I can't, no I won't  
No I can't, no I won't  
Goodbye, goodbye, I'm closing my ears...

Planting trees like planting leaves  
Broken toes and then she leaves  
I'm a grave for good intent  
This flood's starting to get to me  
This blood is well up past my knees

I'm a seal know that by heart  
You're unwell how could we part?  
Got a goat and got a bear  
Little girl got to make up your mind  
Little girl think what you've got inside  
Inside, inside, inside, inside

No I'll never believe the truth in you  
Lies are much more fun!  
No I'll never believe the truth in you  
Lies are much more fun!  
No I can't, no I won't  
No I can't, no I won't

No I can't, no I won't  
Goodbye, goodbye, I'm closing my ears

I'm not listenin', I'm not listenin'  
I'm not listening to a word you say  
I'm not listenin', I'm not listenin'  
I'm not listening to a word you say

I'm not listening, I'm not listening, I'm not listening  
I'm not listening, I'm not listening, I'm not listening

I'm gonna go like this to you!  
I'm gonna go like this to you!  
I'm gonna go like this to you!  
La-la-la-la-la!

I wash with your, soap  
I dream of rodeo

Your soap, your soap, your soap, your...

No I can't, no I won't, no I can't, no I won't  
No I can't, no I won't, no I can't, no I won't  
No I can't, yes I can!  
No I can't, yes I can!  
No I can't, yes I can!  
No I can't, yes I can, 'an 'an 'an...

No I can't, no I won't  
No I can't, no I won't  
No I can't, no I won't  
Goodbye, goodbye, I'm closing my ears
