I've got a message for you and it's urgent, bom-bom-bom!
I've got a message for you and it's dammit, bom-bom-bom!
I've got a message for you and it's gone, gone, gone..
I've got a message for you and it's, haaaah!

Sixty, forty, eighty, thirty
Don't believe in playing dirty?
Sixty, forty, eighty, thirty
Huh! Huh! Huh! Huh!

Generating love on the weekend
Even though I know we are good friends
Close your eyes and boy we can pretend
Keep it quiet, we'll kiss in the deep end!

I've got a message for you and it's urgent, bom-bom-bom!
I've got a message for you and it's dammit, bom-bom-bom!
I've got a message for you and it's gone, gone, gone..
I've got a message for you and it's, haaaah!

You're killing me!
Huh-huh
You're killing me, you're killing me, you're killing me!
Hey..

Generating love on the weekend
Even though I know we are good friends
Close your eyes and boy we can pretend
Keep it quiet, we'll kiss in the deep end!

Loving you is hotter than the kick
Doesn't matter if you give me the flick
Keep it down and keep it down tonight
Keep it raw and keep it tight!

I've got a message for you and it's urgent, bom-bom-bom!

I've got a message for you and it's dammit, bom-bom-bom!

I've got a message for you and it's gone, gone, gone..

I've got a message for you and it's, haaaah!
