Seek me, here I come
Seek me, here I come

Think I lost your bra
Think I lost mine too
Wanna take the car?

Seek me, here I come

We could drive all night
We could stop and spoon
Wanna take the car?

Seek me, here I come

Look at all the pretty girls
See her, yeah she smiles for you
Look behind the pretty girls
See me, yeah I'm smiling to

Hey, hey
Had the time of my life
With you!

Hey, hey
Had the time of my life
With you!

Hey hey, hey hey, hey hey, hey hey
Hey hey, hey hey, hey hey, hey hey

Seek me, here I come
Seek me, here I come

Think your mammas out
Brother's in his room
Hope she's out all night

Tiny hands what cheat
A river lost at sea
Hope she's out all night

Seek me, here I come

Look at all the pretty girls
See her, yeah she smiles for you
Look behind the pretty girls
See me, yeah I'm smiling to

Hey hey, hey hey, hey hey, hey hey
Hey hey, hey hey, hey hey, hey hey
