Oh, oh, oh..

And if you know me I'm nice
And maybe you'll ask me twice
And if you know me I'm nice
And maybe you'll ask me twice

And when I see you around
And maybe you're going down
And when I see you around
And maybe you're going down..

Slide, Slide!
Can you feel it?
I, I!
Want to touch it

Slide, Slide!
Can you feel it?
I, I!
Want to touch..

And can you get off the phone?
And can you leave me alone?
And can you get off the phone?
And can you leave me alone?

Yeah, can you just call him back?
Yeah, can you just call him back?
Yeah, can you just call him back?
Yeah, can you just call him-back?

Slide, Slide!
Can you feel it?
I, I!
Want to touch it

Slide, Slide!
Can you feel it?
I, I!
Want to touch..

Oh! Oh! Oh! Oh-oh-oh!
Huh! Huh! Huh!

Never, never, never, never
Have I seen your face before..
Uh-oh! Uh-oh! Uh-oh!

I came to give you a fright
Let's twist and shake this all night!
I came to give you a fright
Let's twist and shake this all night!

C-can you get off the phone?
C-can you get off the phone?
C-can you get off the phone?
C-can you, get off?

Slide, Slide!
Can you feel it?
I, I!
Want to touch it

Slide, Slide!
Can you feel it?
I, I!
Want to touch..

Oh! Oh! Oh! Oh-oh-oh!
Huh! Huh! Huh!
