I might like you, sukkafish  
And die tonight  
I'm falling before you, I'm falling before you

And you will cry, yeah  
Read a note of suicide  
I'm falling before you, I'm falling before you

I aint ever seen this valley before  
You know I would  
I aint ever

I might like you, sukkafish  
And die tonight  
I'm falling before you, I'm falling before you

And you will cry, yeah  
Read a note of suicide  
I'm falling before you, I'm falling before you

I aint ever seen this mountain before  
You know I would  
I aint ever

Such is life, hey Bonnie  
Raising children on your own  
What's a girl to do, Bonnie  
What's a grown up girl like you to  
Do, do-do-do-do  
Whatcha' gonna do, do-do-do-do  
Do, do, do, Do-do-do-do  
Say "Cheerio, bye-bye"

I might like you, sukkafish  
And die tonight  
I'm falling before you, I'm falling before you

And you will cry, yeah  
Read a note of suicide  
I'm falling before you, I'm falling before you

I aint ever been this happy before  
You know I would  
I aint ever been this happy before  
You know I would  
I aint ever, I aint ever

I aint ever!  
I aint ever!

I aint ever, I aint ever..
