Use your bed like a trampoline  
I said, "Higher, higher"  
Just for love, if you know what I mean  
I said, "Higher, higher!"

I'm what you de-sire, sire!  
And I'm, gonna take you, higher - HIGHER!

Oh!  
Use your car like a hot machine  
I said, "Higher, higher"  
Oh! Just for love, if you know what I mean  
I said, "Higher, higher!"

I'm what you de-sire, sire!  
And I'm, gonna take you  
Higher, higher, higher  
High (HIGH!)  
High (HIGH!)  
Higher, higher, higher  
High (HIGH!)  
High (HIGH!)  
Higher, higher, higher  
High (HIGH!)  
High (HIGH!)

Higher - higher - higher - higher - higher - higher -  
higher - higher - higher - higher - higher - higher!  
Higher, whoa oh oh!
