Well, I got on my watch and my gold diamond ring  
Got on my new suit of brown  
I'm sittin' on your doorstep crying for your love  
I'm the best dressed beggar in town  
The best dressed beggar in town  
Beggin' for kisses I guess I'll never see  
Longin' for love, warm and sweet  
Askin' for miracles I know can never be  
I look better than the beggar in the street  
Well, I got on my watch and my gold diamond ring  
Got on my new suit of brown  
I'm sittin' on your doorstep crying for your love  
I'm the best dressed beggar in town  
The best dressed beggar in town
