"Pale Yellow"

Pale yellow scratching at my ear,
Pale yellow touching to my rear

Forever tangled, forever mustard,
Forever my first word's beer,
Forever yellow, wonder if I'll muster
Anything other than fear

Pale yellow, wanting something clear,
Pale yellow, daunting task cannot be that near

Forever leering, forever dashing,
Forever looking to peers,
Forever hollow, that's worse than yellow,
Piss is the color of tears,
This is the color of tears

Running scared,
Running scared

Pale yellow holding on,
Brace myself to stand,
Tell myself it is okay,
Taking my own hand

Forever peering into the water,
Returning back to the sea,
Under the sea foam,
Where I have come from,
Breathing freely

Forever yellow, forever yellow. .
