Your hat strategically dipped below one eye

Your scarf it was apricot

You had one eye in the mirror

As you watched yourself gavotte

And all the girls dreamed that they'd be your partner

They'd be your partner, and

You're so vain

You probably think this song is about you

You're so vain

I'll bet you think this song is about you

Don't you? Don't you?

You had me several years ago

When I was still quite naive

Well, you said that we made such a pretty pair

And that you would never leave

But you gave away the things you loved

And one of them was me

I had some dreams they were clouds in my coffee

Clouds in my coffee, and

You're so vain

You probably think this song is about you

You're so vain
I'll bet you think this song is about you
Don't you? Don't you?
I had some dreams they were clouds in my coffee
Clouds in my coffee, and
You're so vain
You probably think this song is about you
You're so vain
I'll bet you think this song is about you
Don't you? Don't you?
Well, I hear you went up to Saratoga
And your horse naturally won
Then you flew your Lear jet up to Nova Scotia
To see the total eclipse of the sun
Well, you're where you should be all the time
And when you're not, you're with
Some underworld spy or the wife of a close friend
Wife of a close friend, and
You're so vain
You probably think this song is about you
You're so vain
I'll bet you think this song is about you
Don't you? Don't you?
