Picture this, i'm in my bed

Bodies hot, soaking wet

Thinkin bout the things I'd like to do

I'm open wide when it comes to freakin you

Imagine me, wet as can be

Between my legs, you're tastin me

Boy when you get here you know my love will overflow

And you ain't got to worry bout my clothes

Cause I got my...

T-shirt and my panties on

Just how you like it

T-shirt and my panties on

Waitin for you

T-shirt and my panties on

You can't deny it

T-shirt and my panties

Got my t-shirt and my panties on

(Repeat)

Don't be surprised, when you come inside

Saddle up, and be prepared to ride

Up and down, back and forth

Can you feel me

Baby why don't you just

Take your time, tonight you're mine

Gonna turn around, hit it from behind

Boy now that you're here you know my love will
overflow

And you ain't got to worry bout my clothes

Cause I got my...

T-shirt and my panties on

Just how you like it

T-shirt and my panties on

Waitin for you

T-shirt and my panties on

You can't deny it

T-shirt and my panties

Got my t-shirt and my panties on

(Repeat)

Don't you know i'm feelin

I'm feelin kinda sexy

Now that we are all alone

Baby can we do the nasty

In the privacy of my own home

Baby come a little closer

So come a little closer

I unplugged all the telephones

Because tonight is special

I got my t-shirt and my panties on

T-shirt

I'm waitin for you

Panties

I'm waitin for you

So watcha doin cause I'm all alone

Got my t-shirt and panties on

I'm waitin for you so when you get home

Got my t-shirt and panties on
