## Plan, The "Stay Right Here"

Visit "Stay Right Here" on MotoLyrics.com

The sun in shines
I?ve been drinking all day
Well I?m feeling all calm
I?II lie and cheat to stay right here

I don?t care for what they want me to do Well I find me a way I?II lie and cheat to stay right here

Couldn?t move me that finger unless it?s blessed by the Gods I?m just fooling a bad way But I?ll knock it one day

Look around I don?t see nothing I want I?ve got shit up inside that I?m thinking of While lying here
