Baby, you make my heart beat faster
Baby, you make my heart beat faster
I know

Let alone to rest alone
Yeah, you're makin' me
Had to run the damage is done
Give it up, yeah, I give it up, yeah

There nothing left, so take the rest
Yeah, you're drainin' me
I set it light it burns so bright
Stab it out yeah, stab it out, yeah

Baby, you make my heart beat faster
Baby, you make my heart beat faster
I know, yeah, I know it, I know

I had to run, the damage is done
I give it up, yeah, I give it up, yeah
I had to go, it got control, yeah
You're breakin' me

There's nothing left, so take the rest
Stab it out, yeah, stab it out, yeah
I set it light, it burns so bright
Yeah, you're drainin' me

You make my heart beat faster
Baby, you make my heart beat faster
I know, yeah, I know that it's true

Let alone to rest alone, oh
Let alone to rest alone, oh
Let alone to rest alone, oh, oh

Baby, you make my heart beat faster
Baby, you make my heart beat faster
Baby, you make my heart beat faster

There's nothin' left, so take the rest
There's nothin' left, so take the rest

There?s nothin' left, so take the rest
There?s nothin' left, so take the rest

Baby, you make my heart beat faster
Baby, you make my heart beat faster
Baby, you make my heart beat faster
Let alone
