I come down like a hurricane sucked up inside
Now I spit out the suffer, yeah
You say you want a revelation, revel in this my lover
You're free at liberty is this what you want, sometimes I
wonder

There's a highway to, to the edge, yeah
Once a night you will drive yourself there
At the end of the road, you will find the answer
At the end of the road, you will drink abyss

I come down like a bloody rain cuts up flesh sky
Pulse beating under, yeah
Meat petals bloom in a bone garden
Ain't no God, no Christ gonna save you now

I sell souls at the side of the road
Would you like to take a number?

There's a highway to, to the edge, yeah
Once a night you will drive yourself there
At the end of the road you will find the answer
At the end of the road you will drink the fear
Take your time, come on, get what you come for don't
Waste my time, come on, get what you come for don't
Waste my time, come on, get what you come for don't
Waste my time, come on, get what you come for

There's a highway to, to the edge, yeah
Once a night you will drive yourself there
At the end of the road you will find the answer
At the end of the road you will drink abyss

I watched you burn in the eye of my sun
In the eye of my sun, yeah yeah
I fucked you in, in the eye of my sun
In the eye of my sun, yeah yeah

I watched you burn in the eye of my sun
In the eye of my sun, yeah yeah
I fucked you in, in the eye of my sun
In the eye of my sun, yeah yeah
