I cant be this now
Its not me anymore
I really tried Ive tried
Attempted suicide
Fucking convulsing and
Constantly denied
Subcountaing me somewhere
Inside

ohhh ah ohhh ah ohh ah-woaaa
ohhh ah ohhh ah ohh ah-woaaa

Scratching the walls of my glass coffin
Scraping raping
My nails on the glass on the bottom
Is there an end where does this end
If i was you id fucking hate me too

ohhh ah ohhh ah ohh ah-woaaa
ohhh ah ohhh ah ohh ah-woaaa
