

The Distillers

"Open Sky"

Visit "[Open Sky](#)" on MotoLyrics.com

Open sky, open ether, open, rise up inside
I see it, it's true, yeah, it's true
Open sky, open ether
All rise up in ether, all rise up inside
Believe it, it's true, yeah, it's true

Open sky, open ether, open and rise up inside it
I see it, it's true, yeah, it's true
All rise elitists, all rise up inside

All this shit I'll listen
All this shit I'll listen, I'll listen
All this shit

All this shit I'll abdicate it
I'll work it out across the nation
I'm breathing, baby, I'll listen
All this shit I'll work it out

Open sky, open ether, open and rise up inside
I see it, it's true, yeah, it's true
Open sky, open ether, all rise up inside
I see it, it's true, yeah, you're though

All this shit I'll listen
All this shit I'll work it out
All this shit in the nation
I'm breathing but I'll say shit
Oh, you really pity me
'Cause I'll take you out
