"REVENGE"

If you only knew
How much I hate you
You wouldn't dare to
Leave your flat at night
You thought I ain't strong
Sorry, you're wrong
I pretend we belong
But that's a lie
Refrain:
Hit you where it hurts
Destroy your confidence
Til you get down on your knees
Begging me please
You never know how
Or when I start the show
I just let my anger grow
Til the final cut
I sell your favourite stuff
Still that's not enough
Times might seem tough
Yet there's more to come

Refrain:

You won't get rid of me

I'll never set you free

Seems your destiny

Is my revenge

You get what you deserve

Your lies just kill my nerves

Just wait til I serve

Poisoned Love tonight

2 x Refrain
