Disengage the reaction
Bring on the main attraction
Don't tamper with the facts
Only opposites attract
Everybody wants a piece of the sky
Everybody wants a second try
You'll be sorry that you changed the lines
A bitter world has left you behind
A white line that slips your mind
Don't leave secrets that we're bound to find
(chorus)
Everybody wants a piece of the sky
I'll be damned if I'll let you try it again
Our leaders in danger
I am not the stranger
Leaders in danger
I am not the stranger
In the first place you want fifty percent
In the last place all the money's been spent
I'm crying 'cause I can't pay the rent
Don't tell me it's irrelevant
(chorus)
Our Father who art in heaven
Hallowed be Thy name
Lead us not into temptation
But deliver us from "evil"
(chorus)
Leaders in danger (repeat
