I found your picture hangin' on the back of my door  
Won't give you my heart  
No one lives there anymore  
You said we're lovers  
We could never be friends  
Fascination ends  
Here we go again  
'Cause it's hot inside, when you coming home  
'Cause it's hot inside, isn't that enough  
(chorus)  
I'm not in love (repeat)  
Could it be that time, has taken it's toll  
Won't take you so far, I am in control  
You said we're lovers,  
We could never be friends  
Fascination ends  
Here we go again  
'Cause it's hot inside, when you coming home  
'Cause it's hot inside, isn't that enough  
(chorus)  
I'm not in love (repeat)  
We are not in love (repeat)
