Good evening, ladies and gentlemen  
Welcome to another show in this electric building  
I'm your host for tonight, Billy Bob Jackson, and I can  
tell you it's going to be a great event

Tonight we've got two special entertainers  
Two bitches, two bitches in chains, well at first, ha ha  
ha  
You can call me a dog, but I can tell you I'm not  
stepping into that circle  
I can feel it's going to be an excellent evening tonight  
I know that both Emma and Judy are quite prepared  
I can sense the energy. The electricity. Can you feel it?

The dog is going to die  
The dog is going to die  
The dog is going to die  
Men, money and bye bye

Woof, woof, you're dead
