Do you like my face, do you like what you see?
Am I not as pretty as a girl can be?
I don't understand why you want to hide
Do you think I'm easy like Bonnie and Clyde?

I know you won't catch me, Mommy's on my side
Hell no, you won't catch me, Mommy's on my side

Nice piece of wood you've got there, baby
Ah, push it Ah, push it Push it real good

Give up all your thoughts, give up all you're dreams
Now let me hear you're fearful screams
Don't you feel kind of stupid now I've got your head?
I've got so many things undone, unsaid

I know you won't catch me, Mommy's on my side
Hell no, you won't catch me, Mommy's on my side
I know you won't catch me, Mommy's on my side
Hell no, you won't catch me, Mommy's on my side
