You want to make it? Huh?  
You better bring your horse  
This is the night we're going to get you on you're  
knees, begging please,  
begging please yeah

Please, she's my baby, my lady  
everything that I wanted  
She's my baby, my lady  
I'm a good looking guy you know  
She's my baby, my lady  
she's a hell of a catch, you know  
Take my boots, I don't need them  
The most wanted cowboy

We're going to get you good  
I think you know by now  
I'm bringing the boys, yeah  
And you're bringing the horse  
Yeah of course, yeah of course, Blondie  
Please, she's my baby, my lady  
everything that I wanted  
She's my baby, my lady  
I'm a good looking guy you know  
She's my baby, my lady  
she's a hell of a catch, you know  
Take my boots, I don't need them  
The most wanted cowboy

Shoot me

Oh Boys, why are you doing this to me?  
I cannot stand it any longer  
Why don't you just shoot each other and get it all over  
with, yeah?  
People say I should just leave you both, but I ain't doing  
that, no  
Because I love my men, yeah I do, yeah I do  
I love my men

Bartender, to shots of tequila  
Bartender, shoot me

Please, she's my baby, my lady  
everything that I wanted  
She's my baby, my lady  
I'm a good looking guy you know  
She's my baby, my lady  
she's a hell of a catch, you know  
Take my boots, I don't need them
