Bye, bye, love  
Bye, bye, happiness  
Hello loneliness  
I feel like I could cry  
Bye, bye, my love, goodbye

There goes my baby with someone new  
She sure looks happy, I sure feel blue  
She was my baby till he stepped in  
Goodbye to romance that might've been

Bye, bye, love  
Bye, bye, happiness  
Hello loneliness  
I feel like I could cry  
Bye, bye, my love, goodbye

I'm through with romance, I'm through with love  
I'm through with counting the stars  
And here's the reason that I'm so free  
My lovin' baby is through with me

Bye, bye, love  
Bye, bye, happiness  
Hello loneliness  
I feel like I could cry  
Bye, bye, my love, goodbye
