It's H-U-E-Y, home fly G five

And by the look in my eyes she have nice thighs

What her mama done gave her then grew from no

Pockets full of paper, born as a Missouri stater

Mami gon take it low if you can then touch your toes

You and your partna them, you can get dollars then

Trickin aint in my blood, but I'ma make it rain

I'm too rich for dolla bills, I consider that as change

25's on my range, I know that that's a odd number

The way you tootin that thang can make the guys

What's underneathe or even if it's real

I'm hoping she a freak cause I ain't tryna chill

I'm tryna get it poppin, wit a shortie like mine

Thats willing to drop it low enough to blow my mind
