(Lead vocal - Elmer Gantry)

Tell you 'bout a dream that I have every night
Tell you 'bout a Dream that I have every night
It ain't kodachrome and it isn't black and white
Take me for a fool if you feel that's right
Well I'm Never on my own but there's nobody in sight

I don't know if I'm scared of the Lightning
Trying to reach me
I can't turn to the left or the right
I'm too scared to run and I'm too weak to fight
But I don't Care it's all psychobabble rap to me

Tell you 'bout a dream that I have every night
It's in dolby stereo but I never hear it right
Take me for a fool well that's alright
Well I see the way to go But there isn't any light

I don't know why I'm scared of the lightning
Trying to reach me
Help me to find what I don't wanna know
You're taking me There but I don't wanna go
I don't care it's all Psychobabble rap to me
Psychobabble all psychobabble
Psychobabble all psychobabble
I don't care it's all psychobabble rap to me

You're readin' my mind you won't look in my eyes
You say I do things that I don't Realise
But I don't care it's all psychobabble rap to me
Psychobabble all psychobabble
Psychobabble all psychobabble
You're lighting a scene that's faded to black
I threw it away cause I don't want it back
But I don't care it's all psychbabbble rap
