"Gone Crazy"

Come back and be

Come back for free

Come back and stay child

Have you gone crazy

Molly it must be fine

It seems so dreamy to be sublime

Molly has gone to Spain

Has gone with Venus to watch the rain

And it seems that's not the place where you belong

And it seems that's not the place where you belong

When there's no sun and there's no moon

And there's no stars child have you gone crazy

Come back and be

Come back for free

Come back and stay child

Have you gone crazy

Molly it must be fine

It seems so dreamy to be sublime

And Molly the whippoorwill

Has gone to space boy, she is there still

When there's no sun and there's no moon

And there's no stars child have you gone crazy
