Christopher O'Malley went out on a bridge

Down in Chehalis

And clutching his bible and a letter from her

Fell into the river

Pity no one was there

No angels in the air

And the morning paper ran

One more suicide

His mama stayed by the river side

Down in Chehalis

And clutching her bible and a letter from him

Fell into crying

Pity no was there

No angles in the air

And the morning paper ran

One more suicide

Pity no one was there

No angels in the air

And the morning paper ran

One more suicide

One more suicide

One more suicide
