Hanging around downtown by myself  
and I had so much time to sit and think about myself  
and then there she was  
like double cherrypie yeah there she was  
like disco superfly  
I smell sex and candy here  
who's that launching in a chair  
who's that casting devertairs in my direction  
mama this surely is a dream  
yeah mama this surely is a dream  
hanging around downtown by myself  
and I had too much caffeine and I was thinking about  
myself  
and then there she was  
in platform double sway yeah there she was  
like disco lemonade  
I smell sex and candy here  
who's that launching in a chair  
who's that casting devertairs in my direction  
mama this surely is a dream  
yeah mama this surely is a dream

yeah mama this surely is a dream

I smell sex and candy here

who's that launching in my chair

who's that casting deverostairs in my direction

mama this surely is a dream

yeah mama this surely is a dream

yeah mama this surely is a dream

yeah mama this lost in my dreams
