Some cats, they know how to fight  
Some cats run  
I'm a thousand generations, ahead of them  
Cool as they come

See all my suits are Calvin Klein,  
My lucky number's sixty-nine  
I've got all the things I need,  
It's the nature of my breed

I'm independent,  
Smooth and confident,  
Always in command,  
Graceful element  
A tasteful compliment  
Do you know who I am?

(Look up and down, watch out  
The tiger's on the town tonight)

Im a deadly handsome man

(Look up and down, watch out  
The tiger's on the town tonight)

I'm the lion in the lamb

(Look up and down, watch out  
The tiger's on the town tonight)

Everywhere I go I make the scene  
The ladies love me, stroke me  
Pimped out and lazy, in my limousine  
Oh... c'mon here, sweetie  
Everything I say like Socrates  
Most people love me, quote me  
My real name is Mephistophiles  
But you can call me baby

See all my suits are Calvin Klein,  
My lucky number's sixty-nine

I've got all the things I need,  
It's the nature of my breed

I'm independent,  
Smooth and confident,  
Always in command,  
Graceful element  
A tasteful compliment  
Do you know who I am?

(Look up and down, watch out  
The tiger's on the town tonight)

Im a deadly handsome man

(Look up and down, watch out  
The tiger's on the town tonight)

I'm the lion in the lamb

(Look up and down, watch out  
The tiger's on the town tonight)

(Look up and down, watch out  
The tiger's on the town tonight)

Im a deadly handsome man

(Look up and down, watch out  
The tiger's on the town tonight)

I'm the lion in the lamb...
